MISSIONS

KUDJIP NAZARENE HOSPITAL

In the Western Highlands Province of the island nation of Papua New Guinea, The Church of the Nazarene operates a hospital and nursing college. Founded in 1967, it ministers to the health care needs of PNG, in the name of Christ. In 2013 alone the hospital's staff of seven doctors and 200 staff served 58,083 patients, delivered 1,575 babies, and performed over 1,000 surgeries.

Many staff members and nurses live on hospital property. 32 of their households have no bathroom facilities beyond a pit latrine, and their water comes from a single shared water pipe. 18 additional families have toilets, but no access to a sink in their homes.

In honor of the upcoming 100 anniversary of Nazarene Missions International the Northeastern Indiana District church of the Nazarene has committed to raising \$10,000 to provide access to flush toilets, sinks & showers for those 50 families. To make your contribution, see the commode display in the gym hallway.
